Metal Storage Collection

Metal Storage Collection

The Being Metal Storage Collection includes the Cosmos and Zeta ranges.

Cosmos offers a versatile selection of storage solutions, including lateral filing, tambour door and swing door cabinets. Planters can also be added to Cosmos units to enhance and soften workplace environments.

The Zeta range features a practical mobile pedestal designed for flexible workspace use.

All items in the Metal Storage range are built with a full steel chassis and constructed from heavy-duty steel for strength and durability. Each piece features a slimline profile that complements contemporary interior spaces.

Standard powder coat finishes are available in white and black, with additional colours offered on request.
