Tully Side Table

The Tully Side Table by Being is a refined contemporary piece that brings understated elegance to any space. Crafted from solid timber, it is available in natural Ash or black-stained Ash finishes.

The design features beautifully fluted sides and a solid timber top, combining texture with clean, modern lines.

Its sturdy construction ensures excellent stability, while the compact form allows it to be easily moved as needed.

Versatile and functional, the Tully Side Table is ideal for reception areas, open spaces, and relaxed seating environments.
